“Report On Tree Plantation”

Date – 20/07/2024

Time – 10.00 am

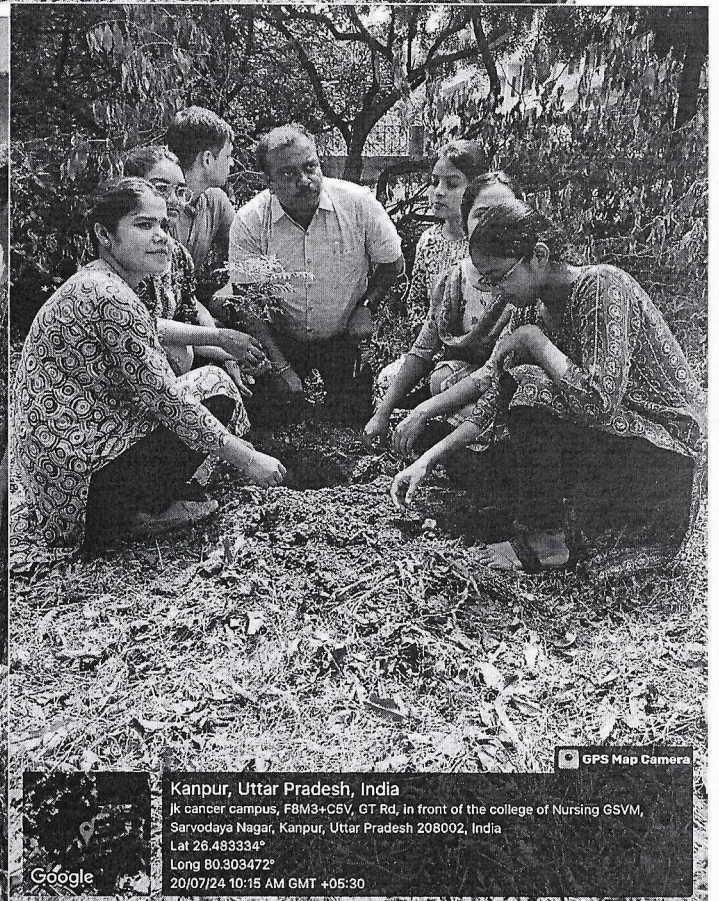

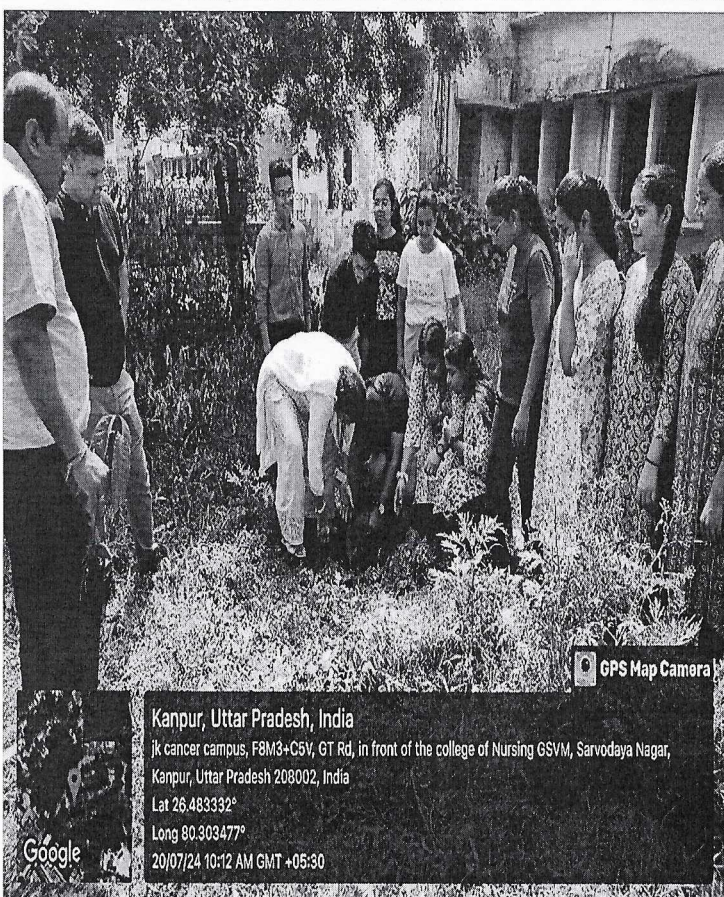

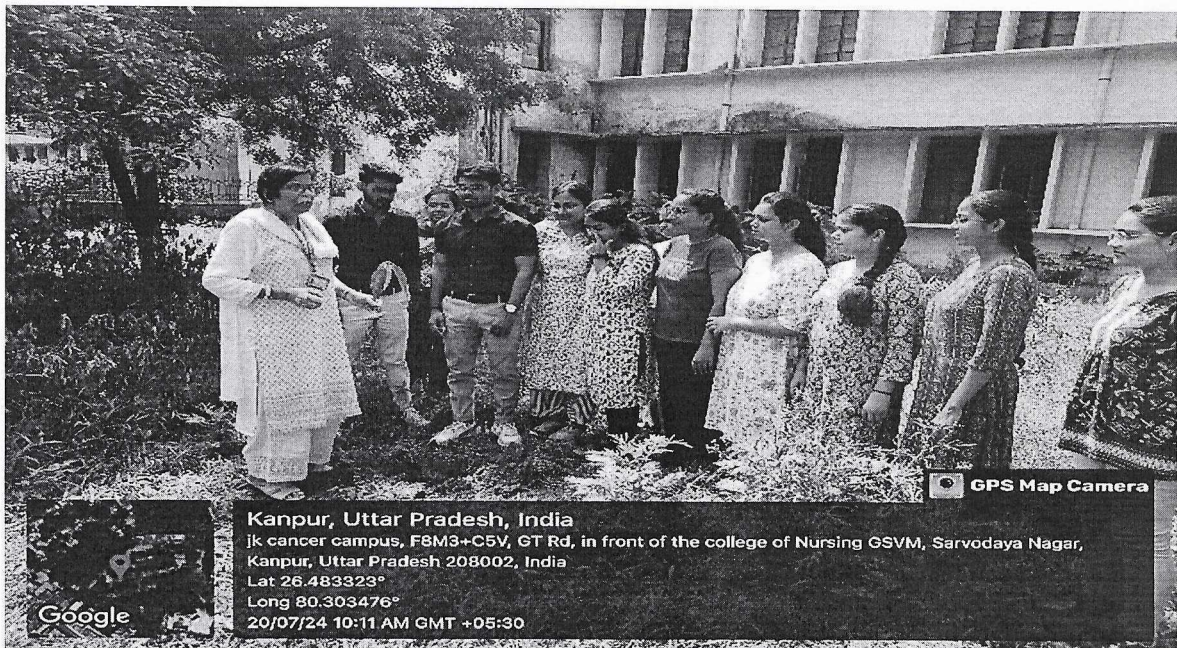

Venue – Govt. College of Nursing Campus, Kanpur

Everyone needs the oxygen for their life and Trees are the foremost source of oxygen as well trees help to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important today's aspects.

With a vision to preserve the greenery of the environment, “Tree Plantation” was organized in the Govt. college of Nursing, Kanpur Campus on Saturday, 20th July, 2024. Tree Plantation was inaugurated by Dr. Karesh Prasad, Principal, Govt College of Nursing, Kanpur. After that Vice Principal, faculty members and B.Sc. Nursing 4th year students were actively participated in the Tree plantation. We had planted various types of plant some of them are Mango, curry leaves tree, Ashok etc. In our college campus more than 15 tree were planted today. Tree Plantation was organized by Mrs. Ranjna Singh Rajpoot, Assistant Professor, College of Nursing Kanpur.

The students were advised to take care of planted trees by placing bricks as barricades and each group of students took the responsibility to nourish and maintain the allocated plant. All were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature.
